BHS Scotland presents a Continuing Professional Development day

Eric Smiley FBHS: Indoors Cross Country

Tuesday 23 February 2010 at SNEC, West Lothian EH52 6NY, 10am-4pm approx

We are delighted to welcome Eric back to Scotland for a day exploring the possibilities of teaching cross country indoors with a number of different horses and riders.

You will learn about:

- The basics: way of going and rider's position and influence
- Jumping and responsibilities: developing skills of horse and rider
- Developing trust: lines and angles
- "The honesty card": corners, bounces and skinnies

And there will be plenty of opportunity for questions, so if there's something you've always wondered about come along and ask.

This is an essential pre-season training day for everyone with an interest in improving their skills cross country whether it be as rider or trainer. Counts as a CPD day for Registered Instructors.

Cost: £20.00 for BHS Registered Instructors; £25.00 to all others. Your cheque reserves your place. If a receipt is required please send SAE. Catering facilities will be available.
